Benson "Smooth" Henderson
Former UFC Lightweight Champion, WEC Champion, and MMA Legend

"My husband and I regard Arizona Iron Furniture as the highest quality outdoor furniture in all of the AZ area; with the most unique pieces which will last a lifetime. We are very discerning when it comes to quality and our backyard is completely furnished by Arizona Iron Furniture; from gorgeous red onyx tables to curved sofas around our fire pit. We love to have parties and whenever we do, our guests (literally) gasp at how beautiful our backyard furniture is. You don't see this workmanship or quality anywhere. Their customer service is equally exemplary; with follow ups and phone calls, ensuring the precise nature of configuring the sizing and best placement of pieces. The pricing is incredible as well, for this kind of quality. You will be thrilled with all their furniture. It is absolutely stunning in person."

Phyllis R., Scottsdale, AZ

"I have owned AZ iron outdoor furniture since 2009. It is sturdy, durable, and will not blow over even during the monsoon. Great Quality for a Great Value."

Lori A, Phoenix, AZ

"I absolutely love my new furniture. The quality is exceptional! It is so comfortable. I could've went to another store and bought some Chinese junk, for a little less, but I would have to buy it all again in a few years. This furniture from Arizona Iron Furniture will last a lifetime. I love that someone local welded up the steel frame and powder coated it, and someone local actually sewed my 7 inch thick cushions. It took about 6 weeks to have my stuff made, but it was certainly worth the wait. Please check out this store, you will be happy you did. And when I was shopping the sales person was not pushy, when I asked questions they knew their product and were very helpful."

J.R. G, Peoria, AZ

"Best patio furniture in the valley customer service is impeccable! Sales people are very friendly really work with your budget I would not go elsewhere but this place to get any future patio furniture. Highly recommend this for anybody looking for great quality patio furniture."

Gus H., Gilbert, AZ

"Exceptional quality and service. When it comes to outdoor furniture, this is as durable as it gets. Arizona Iron Patio Furniture is an All Star in a league of their own."

Former Arizona Coyotes Captain & NHL Icon
